

生活充滿壓力，
承受各方壓力的同時，

究竟在我們腦袋中，
還有多少空間可以容許內心意念的釋放？

Life is filled with pressure, so while we deal with **pressures** coming from all directions, how much room is left for free in our brain to **release** our thoughts and feeling?

1996
Room for Thoughts
Hong Kong Cultural Exhibition Gallery
Iron Column, Plaster, Wire, Projector
Size : h.3 X d.4 X w.4m
