

蜥蜴...也許沒有高飛的心願，  
基於生存本能的我...  
只能腳踏實地，讓胸膛緊貼著倉庫的牆壁，  
產生一種親切的脈動，  
激蕩出沈穩的共鳴。

*Lizard...may not have any noble wish  
My instinct...to survive  
Only to live a simple and basic life  
Let my body stick on the warehouse wall  
To feel my warm pulsing  
To produce the resonance of my pulse*
